Small Caster

Commercial Reference: 3255-30
Article number: 967 17 21-01
EAN: 4078500325530

Winter spreading materials such as sand, salt and grit can now be evenly spread in smaller areas with the GARDENA Small Caster – without dirty hands! The unique dosage system makes it possible. Simply turn the dosage disc on the cover and select the desired spread-opening (depending on the selected spreading material) from coarse to fine. The large, easy-to-use adjustment knob can be easily turned even with thick gloves. Through the bayonet lock, the Small Caster can be conveniently opened and closed. For easy filling, the grip part can be used as a shovel. Two grip recesses on the sides ensure that the container lies well in the hand. With 25 year warranty.
Filling quantity:
Sand: approx. 1.7 kg
Salt: approx. 1.4 kg
Grit:approx. 1.65 kg

EASY SPREADING OF SAND, SALT AND GRIT
